River Valley High Registration Dates

While River Valley personnel are finalizing the closure on the 2006-07 school year they are in the mist of preparing for the ensuing year. To accommodate as many of our parents/guardians and students as possible, registration times will be held both in the AM and the PM hours. The times will be the same each day:

8:00 AM - 12:00 NOON

3:00 PM - 7:00 PM

The registration dates for

the 2007-08 school year are as follows:

Seniors & Juniors

July 24th

Sophomores

July 25th

Freshmen

July 26th

Parent/guardian should accompany their students as **ALL** students will be required to fill out new registration forms. Please be prepared to pay

for lab fees and/or PE uniforms.

We will be issuing class schedules, lockers, school ID's and bus route information. School uniforms will be available for purchase at the time of registration.

In an effort to improve our communication capabilities the District will be requiring additional information to register students for the 2007-08 year. Information such as parent & student cell phone numbers and email addresses.

Sports Physicals

To make it convenient for parents and students, physicals will be held July 26th at 3:00 PM in the River Valley Auditorium. The cost is \$10.00 CASH ONLY. Physicals are available to all River Valley High School students. Don't miss out on this great opportunity to get your sport physical before practice begins.

If a student athlete does not receive a physical before the start date of practice; he/she will not be allowed to participate until he/she is cleared by the Athletic Department. This physical will be valid for the 2007-2008 school year.

If you have any questions or concerns please contact the River Valley High School Athletic department at 928-788-1565.

RVHS Office Closed

Due to renovation at River Valley High the offices will be closed from June 18, 2007 through July 8, 2007.

Learning to Affect Change

It has been a wonderful and exciting new year at River Valley High School with regards to both the academic and athletic settings. We, as a staff, are extremely excited about the student-athletes being a part of the River Valley Football program. We continue to promote discipline and pride into our student-athletes, which will allow them to set high expectations for themselves.

River Valley had a very successful spring football practice that ran May 7th through May 17th. The young men that participated worked very hard learning to affect change both on and off the field in order to make themselves better athletes and in turn better students.

ALL athletes MUST have physicals, proof of insurance, copy of birth certificate, and parent permission slips on file. If you are planning on participating in football and have any questions, call Coach Bower @ 788-1502.

Please mark your calendar for the following summer football events & schedules:

Athletic Posters

On behalf of the students at River Valley High School, I would like to extend an opportunity for you or your business to support our athletic programs through the purchase of an advertisement on our seasonal schedule posters.

In the past, an advertising company would contact you regarding your donation and they would keep 85% of the donation toward their production costs. The students would receive the remaining 15%. We have undertaken this project on our own in order to give 100% to the student athletic programs.

These beautiful full color posters are designed and printed at River Valley High School, creating a wonderful learning experience for our students.

If you would like to support the River Valley High School athletic programs by being included on the 07-08 fall sport's poster please call: (928) 788-1503.

New Athletic/Activities Director at RVHS

Mr. Ken Parker will be the new Athletics/Activities Director for River Valley High. Coach Parker has been River Valley High School's head varsity baseball coach for the past four years. He looks forward to becoming more involved with each sport and activity while increasing a positive competitive environment.

The new year will find changes taking place in the athletic/

activities department. Among the changes will be an updated **athletic handbook** which will include new guidelines for our students and coaches as we strive for higher standards. When you receive your handbook, please review the policies for participation in interscholastic activities as this handbook will be enforced for all organizations.

The Administration and Coaching Staff at River Valley High School would like to extend their sincere appreciation to the parents who made it possible for the students to participate in our programs. Once again River Valley has had a successful year and continues to look forward to yet another competitive year.

Tax Credit

When you pay Arizona State income taxes, you do not have a choice as to where your dollars are spent. Fortunately, the state now allows for part of your money to remain locally with our schools.

If you do not have a preference, your donation will be distributed based on program needs. Please consider a tax credit donation to the River Valley High School.

The Arizona State Legislature has passed a law allowing you to take a dollar for dollar deduction against your state income tax bill for any contribution up to \$400 to a local school. If you donate up to \$400 to a local school, you can receive a credit of up to \$400 toward your state income tax.

The contribution is also a line item deduction for charitable donations for federal income tax purposes. Please consult with your personal tax advisor

to determine the application of this credit, as all taxes are different.

Enclosed please find the necessary form to complete to make your tax-deductible contribution of up to \$400 now. The amount of your donation does not have to be \$400—you can make a difference to our students with any donation -- \$50, \$75 or \$100.

You may split your contribution among more than one group. Extra curricular activities include: athletics, clubs, student government, academics, fine arts and the music program. If you do not have a preference, your donation will be distributed based on program needs. Please consider a tax credit donation to River Valley High School.

For information or to print out a tax credit form, call Terri at (928) 788-1569 or visit us on the web at the site below:
